Dear Jonathan

Please can I take this opportunity to thank you for arranging the very generous donation of £2000.00 for Brookhurst Primary School. As a result, we have been able to enhance our very tired and dated reading stock for the children. The children now have greater exposure to more enticing and up to date genres of texts. These texts explore current modern day issues that will better equip the children for their futures.

It is a real pleasure to see the childrens' increased engagement and enthusiasm when selecting their next ready book.

The staff are also utilising the reading books to support their teaching and directing the children to undertake independent and collaborative research, by using the books to deepen the childrens' learning.

A BIG Brookhurst thank you!

Kind regards

S. Williams
